I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I
OBJECT to the definition of "inordinate amount" which restricts the availability and
the right to obtain necessary compounded medications by limiting the number of
prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

Comments: Insurance companies like regularly
prescribed medicines to be ordered by mail
in amounts that are larger than a 1 month
supply. This is more convenient for the
